Description

Amfitriti Villa represents the pinnacle of contemporary luxury within the exclusive Costa Villas complex, where sophisticated design meets breathtaking natural beauty. This stunning 2-bedroom villa showcases panoramic Ionian Sea views from its clifftop position, featuring a private infinity pool, multiple outdoor terraces, and seamless indoor-outdoor living spaces. With its sleek modern architecture, premium amenities, and direct access to pristine outdoor areas, Amfitriti Villa offers an unparalleled retreat for discerning travelers seeking both luxury and tranquility on the enchanting island of Paxos.

THE SPACE

Amfitriti Villa embodies architectural excellence through its contemporary single-level design, where clean lines and sophisticated materials create an atmosphere of refined luxury. The villa's open-plan living concept seamlessly integrates indoor and outdoor spaces, with floor-to-ceiling windows framing spectacular sea views and flooding the interior with natural Mediterranean light.

The heart of the villa features a stunning open-plan living and dining area, anchored by striking geometric pendant lighting and furnished with carefully curated contemporary pieces. A vibrant patchwork armchair adds artistic flair to the neutral palette, while the dining area accommodates six guests around a sleek modern table. The space flows effortlessly through expansive sliding doors onto the main terrace, creating an uninterrupted connection with the outdoor living areas.

The villa's culinary centerpiece is a fully equipped modern kitchen featuring premium appliances, sleek white cabinetry with dark countertops, and ample preparation space. Thoughtful design elements include integrated storage, contemporary fixtures, and direct access to outdoor dining areas, making it perfect for both intimate meals and entertaining.

Two beautifully appointed bedrooms offer distinct sleeping arrangements to accommodate various guest preferences. The master bedroom features a luxurious king-size bed with premium linens, contemporary wall sconces, and direct access to the sea-view terrace through floor-to-ceiling sliding doors. The second bedroom provides flexible accommodation with twin beds, each styled with sophisticated geometric-patterned pillows and romantic floral touches.

Both bedrooms benefit from modern amenities including air conditioning, built-in wardrobes, and large windows that showcase the surrounding natural beauty. The thoughtful layout ensures privacy while maintaining the villa's cohesive design aesthetic throughout.

The villa features two contemporary bathrooms designed with spa-like attention to detail. Each bathroom showcases premium fixtures, walk-in showers with rainfall heads, vessel sinks, and elegant neutral tiling. Modern lighting, ample storage, and high-quality finishes create spaces that feel both luxurious and functional.

Outdoor living reaches new heights at Amfitriti Villa, where multiple terraces and the stunning infinity pool create an outdoor paradise. The main pool terrace features premium sun loungers, elegant umbrellas, and carefully positioned seating areas that take full advantage of the panoramic sea views. The infinity pool itself appears to merge seamlessly with the horizon, creating a breathtaking visual effect.

An upper terrace provides additional outdoor living space with sophisticated dining furniture and lounge areas, perfect for sunset cocktails or morning coffee while enjoying the spectacular vistas. The villa's elevated position ensures privacy while maximizing the dramatic clifftop views that make this location so extraordinary.

OTHER THINGS TO NOTE

While Amfitriti Villa offers an exceptional luxury experience, guests should be aware of several practical considerations to ensure their stay meets expectations. The villa's location in Ozias requires a rental car for convenient exploration of Paxos. Gaios village center is 4.5 kilometers distant, and the closest beach requires a 2.3-kilometer journey.

Housekeeping service occurs twice weekly, with linen changes following the same schedule. The villa accommodates a maximum of 5 guests with the sofa bed option, though optimal comfort is achieved with 4 guests. Air conditioning operates throughout all rooms, though guests should be mindful of energy consumption during peak summer months.

LOCATION

Ozias represents one of Paxos's most coveted locations within the exclusive Costa Villas complex, offering dramatic clifftop positioning with unobstructed panoramic views across the Ionian Sea. The villa's elevated setting provides the perfect balance of privacy and accessibility, surrounded by ancient olive groves and traditional stone-terraced gardens.

Gaios, the charming capital with authentic tavernas and boutique shops, is just 4.5 kilometers away via scenic drives through olive groves. The nearest beach lies 2.3 kilometers away, with several pristine coves and organized beaches within easy driving distance. Local amenities include traditional tavernas, markets, and cafes, maintaining authentic island character while providing modern conveniences.

GETTING THERE/TRANSIT

Reaching Amfitriti Villa requires coordination through Corfu, as Paxos lacks a commercial airport. Guests typically fly into Corfu International Airport, then transfer via ferry or sea taxi to Paxos's Gaios port (approximately 4km from the villa). PaxosRetreats coordinates private transfers and car rentals to ensure seamless arrival. Access to Amfitriti villa involves well-maintained roads, though part of the route includes bumpy sections typical of rural Paxos terrain.
