Description

Petres II Villa is an exquisite stone-built retreat perched above the Mediterranean Sea near Gaios, offering an unparalleled blend of traditional Paxiot architecture and contemporary luxury. This magnificent 140-square-meter villa features three sophisticated bedrooms, a stunning private pool, and panoramic sea views, all enveloped by ancient olive groves and carefully manicured gardens. Just 50 meters from the nearest beach, this villa represents the pinnacle of refined island living.

THE SPACE:

Crafted with local stone and designed for sophisticated comfort, Petres II Villa seamlessly merges traditional Greek architecture with modern luxury. The villa's thoughtful layout spans two levels, accommodating up to six guests in absolute comfort.

The entry level welcomes you with an open-plan living space, where the dining area flows naturally into a state-of-the-art kitchen equipped with premium appliances, including a SMEG refrigerator, ceramic hob, and dishwasher. The kitchen's picture window frames breathtaking sea views, making even simple meal preparation a luxurious experience.

Each of the three bedrooms has been meticulously designed with comfort in mind. The master bedroom features a king-size bed and private shower bathroom, while offering direct access to the pool terrace. The second bedroom provides flexible accommodation with twin beds and its own shower bathroom, also enjoying pool access. The third bedroom can be configured as either a double or twin arrangement, complete with an en-suite shower bathroom.

The outdoor spaces are equally impressive, centered around a magnificent 10×5m private pool. Multiple terraces and covered areas provide perfect spots for alfresco dining, relaxation, and contemplation, all while enjoying the stunning sea views and Mediterranean breeze.
