Description

Villa Androniki is a luxury retreat perched above the picturesque fishing village of Loggos, offering views of the Ionian Sea. This sophisticated four-bedroom villa harmoniously blends modern architecture with natural materials, featuring a private pool, expansive terraces, and elegant indoor-outdoor living spaces surrounded by ancient olive groves. Perfect for discerning travelers seeking an exclusive Paxos experience.

THE SPACE:

Villa Androniki exemplifies refined luxury across two meticulously designed levels. The ground floor welcomes you with a luminous living room adorned with designer furnishings and flowing seamlessly into a state-of-the-art kitchen equipped with premium appliances. The dining area features a distinctive whitewashed wooden table, perfect for elegant entertaining. A twin bedroom with premium mattresses and a sophisticated full bathroom with a shower complete this level.

The first floor hosts three beautifully appointed bedrooms, each capturing stunning sea views. The master suite features a sumptuous double bed, an elegant en-suite bathroom, and direct terrace access. The second bedroom offers a double bed and flat-screen TV, while the third bedroom provides twin beds. All are complemented by bespoke wardrobes and premium linens. A family bathroom with a bathtub serves this level.

OTHER THINGS TO NOTE:

The driveway includes a moderate incline, and the villa's multi-level design means there are stairs to navigate between floors. During peak summer months (July-August), advance restaurant reservations are highly recommended due to Loggos' popularity.
