Description

Aloni Villa offers an enchanting luxury retreat in Aronatika on Paxos' northeast coast, where traditional Ionian architecture meets contemporary elegance. This exclusive two-bedroom sanctuary commands breathtaking panoramic views from Lakka Bay across the endless azure of the Ionian Sea, creating an idyllic backdrop for unforgettable Greek island holidays.

THE SPACE

Aloni Villa seamlessly blends indoor sophistication with outdoor splendor across its thoughtfully designed 80 square meters of premium living space. The heart of this luxury villa features an open-plan living area where whitewashed walls and exposed wooden beam ceilings create an atmosphere of refined Mediterranean charm. Natural light floods through expansive windows, illuminating the carefully curated blend of modern amenities and traditional Greek island furnishings.

The fully equipped gourmet kitchen showcases premium appliances including dishwasher, microwave, and cooking hob, perfect for preparing meals with fresh local ingredients. Adjacent to the kitchen, the elegant dining area accommodates six guests comfortably, flowing seamlessly into the inviting living room where plush seating surrounds a striking stone fireplace with flat-screen television.

Two beautifully appointed bedrooms offer distinct luxury accommodation. The master bedroom features a comfortable double bed with premium linens, built-in wardrobes, air conditioning, and direct terrace access through French doors. The second bedroom provides flexible twin bed configuration with matching amenities, perfect for families or friends. The master bedroom includes an en-suite bathroom with bathtub, while a second full bathroom serves guests and common areas.

Outside, this luxury Paxos villa truly excels with spectacular outdoor living spaces. The centerpiece private swimming pool sits surrounded by natural stone terracing creating multiple areas for relaxation and alfresco entertainment. The covered outdoor dining area seats eight guests, perfectly positioned to capture cooling sea breezes and magnificent Ionian Sea views. The outdoor kitchen features a traditional stone barbecue and preparation space, ideal for memorable Mediterranean dining experiences.

Multiple sun loungers and seating areas throughout the meticulously maintained terraced gardens provide intimate spots for morning coffee or evening cocktails while watching spectacular sunsets paint the sky over the Ionian Sea.

OTHER THINGS TO NOTE

This luxury villa requires a rental car for access due to its elevated hillside position. While the stunning panoramic views are exceptional, guests should be comfortable with typical Greek island driving conditions including some steep approach sections. The villa operates on a single level for easy accessibility, though the private pool area requires adult supervision for children's safety.
