## Description

---

Celine II Apartment is an exquisite 55-square-meter ground-floor retreat in prestigious Fanariotatika, Paxos. This sophisticated haven combines contemporary luxury with Mediterranean charm, featuring a shared infinity pool, panoramic sea views, and designer interiors. The thoughtfully designed space seamlessly blends indoor-outdoor living, offering an intimate escape for discerning travelers seeking both elegance and serenity.

### THE SPACE

This meticulously crafted apartment showcases refined contemporary design throughout its 55 square meters. The open-plan living area features floor-to-ceiling windows that frame spectacular Ionian Sea views, complemented by a premium grey sectional sofa and bespoke wooden furnishings. The state-of-the-art kitchen, finished in sophisticated dark grey with wooden countertops, houses premium appliances including a dishwasher and Nespresso machine.

The luxurious bedroom offers a king-size bed (convertible to twins) dressed in high-quality linens, with direct terrace access and mesmerizing sea views. The designer bathroom features a walk-in rainfall shower, premium fixtures, and luxury amenities. Throughout the apartment, carefully chosen materials – from large-format tiles to marble-effect surfaces – create an atmosphere of understated luxury.

Outdoor living is equally impressive, with a stunning shared infinity pool (4×7m) surrounded by stone terracing, premium sun loungers, and sophisticated outdoor dining furniture – perfect for alfresco meals while watching the sun set over the Ionian Sea.

### OTHER THINGS TO NOTE

While Celine II offers a luxury experience, guests should be aware that the pool is shared with other apartments in the complex. The property's clifftop location means access involves some steps and terrain changes. While the views are spectacular, the elevated position means a car is recommended for beach access and exploring the island.
