Description

Nafsika Apartment offers 125 square meters of sophisticated living space in the heart of Gaios. This second-floor residence artfully blends traditional Paxiot architecture with contemporary comfort, featuring exposed wooden beams, a cozy fireplace, and a balcony overlooking the town's terracotta rooftops. Just steps from Gaios' charming waterfront, this elegant three-bedroom apartment provides an authentic island experience with modern luxuries.

THE SPACE

The apartment showcases a harmonious blend of traditional and modern elements, with distinctive white-beamed ceilings and warm wooden floors throughout. The open-plan living area centers around an elegant fireplace with unique log storage, complemented by plush white sofas adorned with designer floral cushions. The fully equipped kitchen features cream cabinetry, wooden countertops, and eye-catching turquoise tile accents. Vintage-style pendant lights and an ornate mirror add refined character, while large windows and glass doors flood the space with Mediterranean light. The bedrooms offer serene retreats with high-quality linens and thoughtful touches, while two beautifully appointed bathrooms feature contemporary fixtures and premium finishes.

OTHER THINGS TO NOTE

As this elegant apartment is situated in the heart of Gaios, guests should be aware of its second-floor location accessible only by stairs, which may present challenges for those with mobility concerns. The central position, while offering wonderful convenience, means you may experience the vibrant sounds of town life, particularly during summer evenings. Street parking is not available directly at the property, though public parking can be found nearby. While the balcony offers charming views, its intimate size accommodates limited seating.

NEIGHBORHOOD

Nafsika Apartment enjoys a privileged position in Gaios, just 50 meters from the town center's sophisticated boutiques, traditional tavernas, and vibrant cafes. A mere 30-meter stroll brings you to the nearest restaurant, while the closest beach awaits 1 kilometer away. The new port is conveniently located 100 meters from your doorstep, and the Paxos Medical Center is readily accessible at 2.5 kilometers. This central location allows guests to immerse themselves in authentic island life while maintaining easy access to all modern conveniences.

GETTING THERE/TRANSIT

The apartment's central Gaios location offers straightforward access from all main arrival points on Paxos. While a personal vehicle isn't essential given the central location, we offer seamless transportation solutions including private airport/port transfers, luxury car rentals, and arrangements for motorcycles or scooters to enhance your island exploration.
