Description

Avra House is a stunning 140m² split-level retreat combining traditional Greek architecture with modern comfort. This pink-hued villa with distinctive green shutters offers breathtaking views across Gaios rooftops and Saint Nicholas Islet, perfectly positioned just 100 meters from both the beach and town center.

THE SPACE

Bathed in natural light, Avra House exemplifies refined island living with its thoughtful blend of coastal charm and contemporary amenities. The villa's split-level design creates distinct living zones while maximizing views through large windows and multiple balconies.

The ground floor features a welcoming open-plan living and dining area adorned with woven rattan pendant lights and comfortable seating in soft pink and coral tones. The dining area, set beneath a romantic rose-tinted pergola, offers an enchanting setting for meals with views over the town. A beautifully curated collection of nautical décor and local artwork adds authentic character throughout.

The modern kitchen showcases light-wood cabinetry complemented by traditional terracotta tiles and decorative backsplash, equipped with high-end appliances including a dishwasher, oven, microwave, espresso machine, and kettle. The space seamlessly blends functionality with Mediterranean aesthetics.

Each of the three bedrooms offers en-suite facilities and unique charm. The bedrooms feature a mix of classic iron-frame beds and distressed wooden furniture, dressed in crisp whites and serene blues, creating peaceful sanctuaries enhanced by gentle sea breezes through green-framed windows.

The outdoor space is a private oasis, featuring a crystal-clear pool surrounded by comfortable sun loungers and elegant parasols. The stone-walled garden, dotted with decorative lanterns and vibrant bougainvillea, creates an intimate atmosphere perfect for both relaxation and entertainment.

OTHER THINGS TO NOTE

While the villa's central location offers convenience, please note that during peak summer months, you may experience some ambient noise from nearby tavernas and town activities. The split-level design means there are stairs to navigate between floors. Street parking, while free, may be limited during high season.

LOCATION DESCRIPTION

Ideally situated in the heart of Gaios, Avra House offers the perfect balance of privacy and convenience. Just 100 meters from both the beach and local restaurants, with the island's central square a mere 200-meter stroll away. The property provides stunning views of Saint Nicholas Islet and the surrounding landscape, while being within easy walking distance of all town amenities.

GETTING THERE/TRANSIT

Located 2.5 km from Gaios New Port, the villa is easily accessible. While a car isn't necessary due to the central location, free on-site parking is available. Transfer services from the port/airport can be arranged upon request.
