THE SPACE

Step into a world where contemporary design philosophy meets Greek island sophistication at Lagom House. The open-concept living area captivates with soaring exposed wooden beam ceilings, artisanal Edison bulb chandeliers, and a carefully curated palette of warm neutrals and natural textures. The spacious living room centers around a luxurious sectional sofa upholstered in premium charcoal fabric, perfectly positioned to embrace the views that stretch across ancient olive groves to the shimmering Ionian waters beyond.

The kitchen exemplifies modern functionality with sleek white cabinetry, distinctive geometric mosaic backsplash, and premium integrated appliances including dishwasher, full-size refrigerator with freezer, and professional Nespresso coffee machine. The adjacent dining area features a stunning solid wood table with contemporary black metal base, complemented by designer chairs that seamlessly blend comfort with minimalist aesthetic principles.

The master bedroom sanctuary showcases a sumptuous double bed with tufted charcoal headboard, premium linens, and thoughtfully positioned contemporary artwork. Exposed wooden ceiling beams create architectural drama while maintaining the home's signature modern warmth. The second bedroom offers flexible twin bed configuration with matching design elements and quality furnishings throughout.

The modern bathroom impresses with large-format stone tiles in sophisticated gray tones, spacious walk-in shower with premium glass enclosure, floating vanity with integrated storage, and contemporary fixtures. Every detail reflects meticulous attention to luxury hospitality standards.

Climate-controlled comfort is ensured throughout with individual air conditioning units in all rooms, while entertainment needs are met with Smart flat-screen television and complimentary WiFi. The fully equipped laundry facilities include washing machine and iron with ironing board for extended stay convenience.
